Standardized Testing Week

A change is being made to the DA school calendar. Originally, Stanford Achievement Tests were scheduled for the week of April 16. **We are changing the tests to the week of May 7** in an effort to maximize the amount of material that will be mastered by our students. We wanted everyone to know this so that you will be able to adjust your calendar accordingly.

When I Grow Up

by Kyle Street

When I grow up, I will soar like an eagle.

When I grow up, I will make people laugh.

When I grow up, I will be invincible.

When I grow up, I will save a life.

When I grow up, I will go beyond my set limits.

When I grow up, I will reach the ends of the earth.

When I grow up, I will defy logic.

*When I grow up, I will tell people of my
imagination, and show them how to use theirs.*

*But for now, I will show every adult
that a child is capable of great things.*

School Supply Store

The items available for purchase are:

Also, if students forget their drink for lunch they may purchase a bottled water in the office for \$1.00. Students may want to keep a couple dollars and/or some change in their backpacks for unexpected expenses.
